TOTAL RAISED:

JCHAI
JUDITH CREED HORIZONS FOR
ACHIEVING INDEPENDENCE

Honoring Judith Creed

This year, we celebrated our **2024 Honoree, Judith Creed**, for her tireless commitment to JCHAI that's spanned over 30 years.

As a JCHAI founder and Board Chair, Judy has been instrumental to JCHAI's mission of empowering adults with developmental differences and disabilities to live life on their own terms.

Special guest Governor Josh Shapiro presented Judy with a *Lifetime Achievement Award*, recognizing all her incredible hard work and accomplishments over the years.

Because of Judy's inspiring dedication, today JCHAI's mission is stronger than ever, helping individuals unlock their limitless potential and redefine what's possible in their lives.

Programmatic Impact

Thanks to our incredible community of supporters, staff, board, and volunteers, JCHAI's 2024 Gala raised vital funds that will directly support JCHAI's comprehensive array of programs and services offered to our neurodiverse members, providing a targeted continuum of services to meet each individual's needs through every stage of life.

Member Scholarships

We work hard to keep member fees at or below cost for the individuals that we serve, in order to keep JCHAI programming accessible for those who need it most. We employ scholarships as a tool to keep costs down for our members, so they can continue to benefit from the JCHAI programs and services they know and love.

Scholarships help fund the following highlighted areas of programmatic focus:

Career Success

Self-Advocacy & Leadership

Independent Living

Emotional Wellbeing

Community Engagement

Family Resources

Social Connections

Community Education
